It consists of five levels: 1. Combat - hand-drawn graphics, jagged graphics, mouse controls, "go to new level" 2. Escape - hand-drawn graphics, jagged graphics, mouse controls, "go to new level" 3. Platform - hand-drawn graphics, mouse controls 4. Weapon store - hand-drawn graphics, mouse controls 5. Mini-game - hand-drawn graphics, mouse controls, "go to new level" Each level requires the player to shoot enemies and destroy saws to move on to the next level. Each level has five or more saws. On some levels, the player can pick up a weapon from the weapons store. A weapon can be used to eliminate or trap saws on the same level. The weapons include handguns, machine guns, and throwable weapons (e.g. a bomb, a stick, or a ball). At the beginning of a level, the player can hide behind platforms or other obstacles to avoid shots. The player can jump from platform to platform. Each level has a timer for shooting, or a counter that is shown on the computer screen. The player wins a level when he/she eliminates all saws on the screen within the time limit. NOTE: For those who like to relax after long sessions of shooting, CUBE-e 2 is available in an "in-game editor", allowing to create own levels, weapons, themes, screens, and
